To the Scarborough Community Multicultural Festival,

On behalf of Ontario's New Democrats, I would like to congratulate the organizers, volunteers and sponsors of the 2nd Annual Scarborough Community Multicultural Festival for this wonderful event celebrating the diversity of our communities.

Festivals that celebrate the rich cultural traditions of our neighbourhoods are essential in emphasizing the shared values of Ontarians. With live performances, expositions, arts, crafts and food from local people, organizations and small businesses, this year's festival is a great way for families and neighbours to come together and celebrate the cultural contributions and diversity of the people of this province. The festival is a showcase of the multicultural identity that today defines Scarborough.

Congratulations to all of the organizers and volunteers who have worked so hard to make the Scarborough Community Multicultural Festival a success.

I wish you all a wonderful festival!

Sincerely,
