Greetings from the Minister of Immigration, Refugees and Citizenship

I am pleased to extend my warmest greetings to all those attending the 3rd Annual Scarborough Community Multicultural Festival.

As we gather to celebrate our multicultural community, we can take a moment to appreciate the value of a diverse society, as it is one of Canada's greatest strengths as a peaceful and welcoming nation.

Events such as this Multicultural Festival bring people together to appreciate the cultural contributions of all Canadians and help spread a positive message of tolerance and acceptance. Through its many activities, cultural displays, live performances and film screenings, this festival preserves and promotes the rich cultural traditions of many cultures while highlighting the diversity of the City of Scarborough.

As Minister of Immigration, Refugees and Citizenship, I thank Kinron Associates Event Services Management for organizing this festival. I would also like to thank the coordinators, performers, vendors and volunteers for their hard work and dedication to their community.

My best wishes for a successful festival!

Sincerely,
