Greetings Festival Friends,

On behalf of Festivals and Events Ontario, I am pleased to extend our greetings to everyone attending the 2<sup>nd</sup> Annual Scarborough Community Multicultural Festival.

This event provides festival goers the chance to participate in a variety of activities and enjoy live entertainment, but will also provide the opportunity to celebrate the cultural diversity of Scarborough. It is no secret that Ontario is known for its cultural diversity and events like these understand the significance of bringing people together to honour our unique culture.

As you come together I hope you find this gathering inspiring and you take the time to embrace the opportunity to explore the day's activities with friends and family.

Best wishes for an enjoyable, meaningful and spiritually uplifting festival.

Sincerely,

Kathrin Delutis, CEO  
Festivals and Events Ontario
