

Premier of Ontario - Première ministre de l'Ontario

August 5 – 7, 2016

### **A PERSONAL MESSAGE FROM THE PREMIER**

On behalf of the Government of Ontario, I am delighted to welcome everyone to the Second Annual Scarborough Community Multicultural Festival!

Our province is proud to be home to people from all corners of the globe. The community of Scarborough is one of the most popular destinations for newcomers — with many residents hailing from South Asia, East Asia, Africa and the Caribbean. Through their hard work, skills and community spirit, they have helped create the vibrant multicultural neighbourhoods that Scarborough is known for.

Festivals such as this connect us to the world and enhances the cultural landscape of our communities, our province — and Canada as a whole.

This is the festival's second year, and I would like to thank Kinron Associates, volunteers from the Scarborough community and everyone who worked hard to ensure the continued success of this festival.

Please accept my best wishes for another successful year!
