A Message from Elizabeth May, O.C., M.P.

August 5, 2016

As leader of the Green Party of Canada and Member of Parliament for Saanich-Gulf Islands, I am pleased to extend warmest greetings to all the participants, performers, and organizers of the 2nd Annual Scarborough Community Multicultural Festival.

Your festival is a tremendous opportunity to celebrate cultural diversity in our communities. One of the Green Party's core values is Respect for Diversity. I join you in your celebration of what makes Canada great.

I am proud that Canada is known around the world as a country that welcomes people of all faiths and cultures. Multiculturalism embodies the values of inclusiveness and collaboration. Like an ecosystem, the greater our diversity, the greater our health and resilience. It demonstrates that when we work together, we can build a country that encourages innovation, democracy, and strong communities.

I wish you all the best for the 2016 festival.

Sincerely,

A handwritten signature in black ink that reads "Elizabeth May".
