

AUGUST 24-26, 2018

*Greetings from the Honourable Sylvia Jones
Minister of Tourism, Culture and Sport*

On behalf of the Government of Ontario, I am delighted to welcome everyone to the 4th Annual Scarborough Community Multicultural Festival.

Festivals like this play an important role in strengthening Ontario's economy, attracting visitors and improving our quality of life. They also help us celebrate the rich and diverse history of our province and its communities. I know everyone will enjoy all the family activities and cultural experiences that make this event so special.

I would like to thank Kinron Associates, festival sponsors and enthusiastic volunteers for their commitment to celebrating Scarborough's wonderful character and hospitality.

Please accept my best wishes for an enjoyable and memorable festival!

A handwritten signature in black ink that reads "Sylvia Jones".
