Greetings from Senator Don Meredith

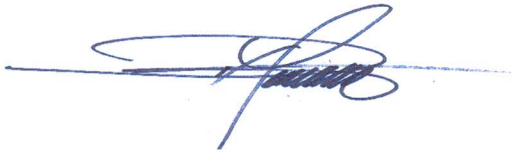

I am delighted to extend warm greetings and congratulations on the occasion of the 2016 Scarborough Community Multicultural Festival.

This festival will bring the global community across the Greater Toronto Area together, to share their culture and history through music, arts and culture. Through this positive event, people are brought together to learn, share and strengthen their communities.

I would like to thank all the organizers, volunteers, entertainers and sponsors for their valuable contribution to help make this festival a success. Your support enriches and builds stronger bonds between neighbours.

I am proud to live in a country like Canada which embraces other cultures and wish you continued success in your efforts to celebrate diversity in this way.

Yours sincerely,

The Honourable
DON MEREDITH
Senator – Ontario

L'honorable
DON MEREDITH
